THE LOCAL DEMOCRATIC PLATFORM

Our local democrats have put themselve on the record and have organized then elves for a fight on a platform which, heartily and unqualifiedly" approves of the administration of President Cleveland, and have selected the author of the platform-Mr. John B. Abell-as their candidate for a seat in the Ohio house of repreentatives. And although this was done by a democratic county convention, the fact that it unanimously and enthusiastically instructed its delegation to Cleveland to support Thurman as the candidate for governor hows that the moss-backs have at least

mporarily downed the kids. and given us straight bourbon goods. The platform is given, in full, below:

The democracy of Clark county in convention assembled congratulates the coun-try that the party of Jefferson and Jackson and Cleveland still has control of the national government, and notwithstanding the prophesies of the opposition, the country is safe and presperous. The colored citizens are still free—the pensioners still receive their bounties and the gallant old Springfield Ecpublic ship of state salls proudly on over smooth seas of happiness and prosperity. Therefore, be it resolved:

propounded

First. That we are unalterably opposed to "third termism" either in national, state, or municipal elections, believing that a fair I am not the barber who has the good for Greenville county, S. C. are organic degree of rotation in office excites patriot-ism and healthy competition and will give

against a system of taxation which places in this city. the heaviest burdens of the government upon the toiling millions and enables the ficial effects of this confiscated money by having it flow in the channel of trade and

sedly endorse the administration of President Cleveland as being the wisest, most careful and most economical administration ever enjoyed by this government. The preamble is certainly unique. The

land is grotesque. One feels like exclaim- time. SPRINGFIELD, OHIO. ing: "Great gods and little fishes" or rather, a little fish. Then we are assured that the colored citizens are still free! In what respect?' Are they free to vote, in South Carolina, Louisiana and Mississippi? The pensioners still receive their bounties, but what of those who ought to be pensioners, by the votes of democrats in both houses of congress, and would be but for the veto of this President Cleveland, who is whom are business men. so "heartily and unqualifiedly endorsed" by the mossback democrats of Clark county? Why are not the democrats in congress

> The first resolution declares against I have known one of them to wait four third-termism, but it has nothing to say of months until he had a chance to visit me and gush about the president, it hasn't a word to say in behalf of his renomination.

A more vertable bit of hog wash and not a fact. verbal rot was never written than the second resolution. It means but one thing -mamely-absolute free trade! With this comes the liberal proposition to afford "re-

Then we must conclude that the hearty and unqualified "endorsement" of the president is an "endorsement" of the president is an "endorsement" of the president is an ass—with the stubbornness of that he is an ass—with the stubbornness of that he is an ass—with the stubbornness of the law allowed, our local democracy model. "and or self-confidence is a surrounded by the president in surrence in a shoe brush; it also caused it to become the style of shaving. A few years ago it was the rule to lather a person twice and give a ington from the frontier to the effect that the style of shaving. A few years ago it was the rule to lather a person twice and give a ington from the frontier to the effect that on and we do not shave so closely. There is good reason for this change. We noticed that shaving too closely caused the beard to grow coarser and to stick out like the hairs in a shoe brush; it also caused it to become The Youngstown Telegram hasn't heard dering the captured flags to "the confede-

THE BARBER'S FEES.

MEN WHO PAY THE TONSORIAL AR-TIST WELL FOR HIS SERVICES.

Chat With a Barber About the Hair Cutting and Beard Trimming Businest -Different Styles of Dressing Hair

It is said that John C. Anderson pays \$30 a week to his favorite barber. This tonsorial artist, who is a New Yorker, and whose name, it appears, is not known to any of the knights of the brush and razor in this city, has attended to the elimination of Mr. Ander-Most assuredly have the democrats of son's facial hirsute for many years, and now "Old Clark" taken the bull by the horns makes three visits each week to the Savin Rock residence of the munificent millionaire, each visit netting him \$10. Although there are a few men in this city whose wealth nearly reaches the seven figure point, an investigation discloses the fact that, while they each have a favorite barber, they do not pay

such a princely fee. A reporter dropped into a chair in a barber shop situated in the business portion of the city last evening, for the purpose of obtaining a shave, a luxury which he indulges in annually. The loquacity of barbers is pro-verbial, and in answer to numerous questions

propounded by the scribe, the barber said:
"I have no doubt but that John C. Ander tune to be patronized by him. Such sums as arming to resist the secret labor organizadegree of rotation in office excites patriotism and healthy competition and will give
